CURED TO STAY CURED.

How a Maysville Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—
From urinary disorders—
From any disease of the kidneys,
Be cured to stay cured.
Doan's Kidney Pills make lasting cures.
Maysville people testify.
Here's one case of it:
M. C. Chisholm, 317 East Second street,
Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected in my case some years ago has been permanent, and the testimonial I gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had only used them a short time when I noticed a marked improvement. They soon cured me, and I have learned of several instances where they have been used with good results."

For sale by all dealers. Price 50 cents.

They Injure Children
Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health-destroying and a life-lasting annoyance.

I personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associated bowel disorders. I have such absolute faith in the virtues of this remedy that I sell it on my guarantee of money back in every instance where it fails to give entire satisfaction, and I urge all in need of such medicine to try it at my risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Orderlies are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining; remove irritation, overcome weakness, tone and strengthen the nerves and muscles, and restore the bowels and associated organs to more vigorous and healthy activity.

Rexall Orderlies completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages: 12 tablets 10 cents, and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chonoweth.

THE LITTLE WRINKLE.

No one admires it.
It comes with age.
But worry helps it along.
So does excitement or anger.
The best preventive is to keep cool.
It won't hurt to steam the face once a week with hot cloths.

Nor to massage once in a while with a good skin food.

It's a good thing, too, to compose your face into pleasant expression before you go to sleep. It is very necessary also that you eat the right foods.

And, of course, fresh air and cleanliness and a brisk nightly massage will keep the furrows away.

But when they do come, don't acquire any more than necessary for fretting about it.
